

“

I chose these items because, first, I've always wanted to wear a diamond tiara, and I wish more people wore them! Second, Philip Stein watches are incredibly practical (dual time zones), fashionable (fabulous size and design) and affordable (great for an impulse purchase of a watch!). And third, these Susan Eisen bracelets are my creations symbolizing that being creative can make you happy and one-of-a-kind.”

Bernard Nacht & Company / Under The Crown 18K white gold floral design tiara circa 1970 featuring 55 round diamonds (4.00 TCW).
MSRP: \$22,750
underthecrown.com | **Philip Stein** Double Diamond chronograph with black alligator strap.
