Oct 9, 2017  (...)

The Center Against Sexual and Family Violence held its annual fundraiser, “Lend Us Your Ear,” Sept. 28 at Epic Railyard.

More than 250 attended the event, which raised \$29,000 to help survivors of domestic and sexual violence.

The evening of cocktails, food and jewelry shopping benefitted the CASFV emergency shelter for survivors of sexual and family violence. Jewelry was donated by Susan Eisen, Telmundo 48, Sun City Kidz Clinic and many others.

Founded in 1977, the nonprofit is celebrating its 40th anniversary. Today, the nonprofit operates a family resource center, battering intervention & prevention program and a transitional living center.
